Ministry in Somerset West

Ministry in Somerset college and Somerset West

Ministering in Somerset college these last three months has been a wonder to behold! I have witnessed the Lord's faithfulness in the lives of the kids that follow Him at this school. I've been able by God's grace to deepen the relationships that were formed earlier in the year with other Christian teachers that are present in the school as well as youth leaders in the Somerset West area. The kids in boarding are becoming more open to the idea of a Christian fellowship being held in their boarding house on a weekly basis. I'm seeing the word of the Lord taking root in the hearts of some of these boys and girls and I give God glory for that.

Our Bible study groups are growing, slowly but surely and for that the Lord is worthy to be praised.

There has been some resistance from other schools within the Somerset West area when it comes to Christian work being active and present for the kids and teachers. I am however prayerful trusting the Lord for a huge breakthrough when it comes to gaining access to as many schools as we physically can have. The aim is to preach the Gospel of Jesus Christ to as many as we can get to, and we will not rest until we are able to do so. To God be the glory!

My personal note

I have recently started an organisation called Mwanga, something the Lord has placed in my heart to do for some time now. It's been active for 3 Months now and it's been a wonderful journey thus far.

I'm a worship leader as well and so I have been working on a some new music. I've started the recording process of the EP and trust the Lord to give me more strength and grace to see it through. I lead worship at various places on a weekly basis.

i volunteer at two organisations as well, Bathesda House as well as HOPE. Two Christian organisations/ministry that minister to both the lost and the found. I honour God for such an opportunity to be part of His work.

Prayer Requests

- Pray for the work that is moving and growing in the schools in the Somerset West region
- Please keep me in your prayers as I'm running the organisation (Mwanga) on top of everything else. With growth in responsibilities I'm trusting to Lord for provision in resources and financial means. Do keep me in your prayee with regards to this.
